How to Create a Survey in Project Outcome

Follow these steps to create a Supercharged Storytimes survey with the Project Outcome toolkit. For more detailed explanation, view the **Part 3: How to use Project Outcome for Supercharged Storytime** video with Emily Plagman.

- 1. Login to your account on Project Outcome.
- 2. Choose Survey Management:

3. Choose Create New Survey:

4. Choose Create New Survey, Early Childhood Literacy, and Immediate on the next screen:

5. Name the program "Supercharged Storytimes" and select a Program Date. You will also be prompted to select a library branch or allow respondents to identify the branch location.

👩 Source, Topic & Type 💈	Program Information 💿 Survey Sett	
	Program Name O Supercharged Storytime	Be sure to name it "Supercharged Storytimes"
	mm/dd/yyyy	Multi-day Program

Add Logo	Ask Respondents	
File formats allowed: jpg, jpg, png, gif File size should be under 2 MB Image size should be 300x300 px		
Internal Notes Not visible	e to respondents	

6. Name the survey Supercharged Storytime – DATE. You can then add an introductory message, which patrons will see. It might be "This program aims to help build early literacy skills." You can also add a footer message patrons will see. *Note*: A survey date and program date may be the same. However, if a program runs for several months, and a library measures 3 times, the survey date (the date the surveys are distributed) will be different.

- 7. Please add these 3 customized questions that you input here:
 - As a result of participating in this program, what new activities will you try at home to help your child's early reading skills?
 - In what new ways will you encourage your child to participate when you read, talk, sing, write, or play together?
 - Did this program change the way you think about helping your child in getting them ready for reading in school? If so, how?
